OUR STORY

In 1870, the audacious bushman Henry 'Harry' Readford, known as Captain Starlight, carved an enduring tale of audacity and adventure in Longreach's history. Readford orchestrated a grand heist, masterminding the theft of 1,000 cattle from Bowen Downs Station near Longreach.

With unparalleled cunning, he led his band of men through the rugged terrain of western Queensland, charting an epic path down what would be famously called the Strezlecki Track, all the way to South Australia. What made his exploits even more remarkable was his ability to navigate by the stars, a skill he acquired from local Indigenous groups, earning him the nickname Captain Starlight.

Today, Longreach stands as a proud custodian of Captain Starlight's legacy. The town reverently preserves his daring escapades through immersive exhibits in local museums, historical sites, and cultural events. Visitors are transported back to the thrilling days of Australia's frontier history, where the wild spirit of Captain Starlight continues to captivate the imaginations of all who tread upon this storied land.
